

UNMASKING the End Time BEAST KINGDOM

A clear, unsealed, revelatory understanding of the past, present, and future events and entities engaged in end time warfare against the kingdom of God

Part 2: The Four Horsemen

Of interest is the fact that as I searched the internet for an appropriate image to illustrate this commentary I discovered pastor Rik Berry's prophetic painting in perfect agreement with what the Spirit of truth has revealed to me in scripture, and it is worth the reader's time to come back and study the painting after reading the commentary.

“Apocalypse,” which we have given an inappropriate and incomplete meaning, comes from the Greek word transliterated as *apokalypsis*, meaning to reveal that which has been concealed, i.e. “revelation.” Thus the revelation of Jesus Christ given to John concerning the entire future of the church is intended by God to be the primary text used by the Spirit of truth to progressively reveal God’s intent for the church with emphasis on the final days of the church.

I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star. Revelation 22:16 KJV (emphasis is the author’s)

This statement by the Lord makes it clear that the revelation was given to John for the church and has no application whatsoever to a supposed restoration of God’s covenant with Israel.

Any denial by believers of this current generation that “The Revelation of Jesus Christ” is applicable to the entire church age with emphasis on the final generation is then accompanied with the curse of Revelation 22:19:

And if any man shall take away from the... (revelatory understanding of)... words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.

For that reason, before we begin this segment it is important to review our understanding that the beast kingdom of Satan is revealed to John as having seven heads, and these “heads” are seven “mountain” kingdoms, ruled by seven “kings,” towering over the other nations in total opposition to the kingdom of God.

Then the angel giving John this prophecy tells him that five of these “heads,” which are the “mountain” kingdoms and their “kings,” have already fallen; one IS at the time of the prophecy (i.e. Rome); and the “head” / “mountain” empire that is “yet to come” will be the final form of the beast kingdom. (Revelation 17)

It is also important to recognize that the four horsemen are NOT four individual “heads” / “mountain” empires to come, but four forms or stages of the final or 7th “head” / “mountain” empire / beast that was prophesied to John as being “yet to come.”

The four horsemen, then, represent four stages of the emerging, final, 7th “head” / “mountain” beast kingdom “yet to come” (at the time the prophecy was given). And each horseman stays on the scene until they are all fully incorporated under the control of the fourth horseman.

Most will be surprised to realize that the first three horsemen have already been released into the world, and that there was NO INTENT of God to reveal the identity of the first three horsemen (i.e. their prophetic identity was “sealed up”) prior to this present time in which the emergence of the fourth horseman is IMMINENT.

This “sealing up” of the identity of the first three horsemen is also consistent with the “sealing up” of the first three beasts of Daniel 7 giving us a strong confirmation by the Spirit of truth who is currently unsealing both prophecies, that these OT/NT prophecies reveal the same identities and the same events.

Therefore, the only form of the great, final, end time beast kingdom yet to be released is that form described in Revelation 6 as the pale, green horseman, and, in Daniel 7, as the “*diverse*” beast that is “*terrifying and dreadful and exceedingly strong...*”

The horse/beasts represent the men, governments, economies, and institutions of the world, including aspects of institutional Christianity. And the horsemen are the spiritual entities, Satan’s “princes,” controlling the men, governments, economies, and institutions of the world. This corresponds with John’s vision of the “beast” coming up out of the “*sea*” (the people, governments and institutions of the world) and the triad of evil coming up out of the “*earth*,” as the ultimate “king” of this beast.

Many believers presume that Satan is the initiator of the release of the four horsemen into the world, but in Revelation 6 we discover that it is the four living creatures in the throne room of God who control the release of the four horsemen, and who restrain their activity.

Do not be confused by this. It is God, not Satan, who is setting the stage for the final showdown, and it is God who initiates the appearance of the white horseman, co-identified by the Lord in the Olivet prophecy as “*the beginning of sorrows*” or “*the beginning of birth pains*,” which is **THE** specific starting gun for the “end times.”

Strong’s identifies “sorrows” in this passage as meaning:

- I. the pain of childbirth, travail pain, birth pangs
- II. intolerable anguish, in reference to the dire calamities that precede the advent of the Messiah

If we carry the birth metaphor forward, the resurrection of Jesus Christ followed by the coming of the Holy Spirit on Pentecost, as promised by God, would be the “conception” with the “beginning of birth pains” taking place late in the third trimester.

The “beginning of birth pains” also corresponds with the opening of the 1st seal of Revelation, which is the beginning of the “end times,” and the beginning of God’s shaking of all that can be shaken.

James Lloyd of Christian Media Network has clearly and carefully demonstrated that the white horseman/lion with eagle’s wings (empowerment of the Holy Spirit) initially carrying out the purposes of God is identified as Great Britain (and her “young lions”) from the supernatural defeat of the Spanish armada on July 29, 1588 forward. And that same truth has been confirmed to me.

We have, therefore, been IN the “end times” for a substantial length of time, and we are VERY near to entering “*tribulation*.”

The question that came to me as the revelation was being confirmed to me, is: “Why haven’t we seen this truth before?” Or, “Why has God kept this truth concealed until now?”

Satanic deception and erroneous non-revelatory presumption is part of the answer, but the primary answer is that God deliberately withheld the revelatory truth in order to reveal it at the appropriate time to the generation who will experience the 4th, 5th, 6th, and 7th seals to come so that we can prepare for the events immediately ahead of us.

This is so important that I will state it another way, repeating what I have already demonstrated earlier in this commentary. God had NO INTENTION of revealing the understanding of the sealed “hidden manna” regarding the first three horsemen of Revelation 6 or the first three “beasts” of Daniel **UNTIL** the Spirit of truth would reveal them to the generation who would experience the opening of the 4th seal and the emergence of the fourth horseman/beast, which is

the ultimate form of the 7th and final “mountain” beast kingdom ruled by the ultimate triad “king” (Satan, the antichrist “man of sin,” and the false prophet).

We are, then, **THE** generation for which the events yet to come have always been intended by God, even before the creation.

As seen in the “The End Times” chart above, the “end times” includes the seven seals of Revelation, and the seven seals of Revelation are divided by the Lord under three progressively dangerous and evil headings recorded in Matthew 24:

- 1) 1st – 3rd seals = *“beginning of birth pains”*;
- 2) 4th through 6th seals = *“tribulation”*;
- 3) 7th seal = *“great tribulation.”*

An example of God’s partial unsealing of what will ultimately be a complete revelation, is seen in Daniel’s interpretation of Nebuchadnezzar’s prophetic statue kingdoms dream (Daniel 2). Daniel correctly identified Nebuchadnezzar as the

“golden head” of this statue, but he described the three remaining kingdoms yet to come without providing an interpretation of their identity.

We now know these were Babylon (Nebuchadnezzar) gold; Greece (Alexander) – silver; Persia – bronze; and Rome – Iron mixed with clay. These are also the four kingdoms to which national, ethnic Israel would be subjected in the countdown to the first advent of Jesus Christ.

And in the days of these...(four)... kings, shall the God of heaven set up a kingdom...(the kingdom of God in Christ)... which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever. Daniel 2:44 KJV (inserts are the author’s)

What we note is that the kingdom of Israel, under Roman rule, WAS itself broken up and left to other people. But the kingdom of God in the earth, the “Israel of God” in Christ has NOT been broken up since the resurrection of Jesus Christ, and it will NOT be broken up or left to other people (i.e. national, ethnic Israel) at any point in the future.

When the Lord told His disciples that the kingdom of God was near they and others presumed that He was speaking of His physical reign over the world, but He was speaking metaphorically of the coming of the kingdom of God in the form of the promised Holy Spirit unifying believers into a single spiritual body, the *ekklesia* of the kingdom of God in the earth.

And he said unto them, Verily I say unto you, that there be some of them that stand here, which shall not taste of death, till they have seen the kingdom of God come with power. Mark 9:1 KJV

This prophetic statement by the Lord was fulfilled on Pentecost when the Holy Spirit fell on the 120 upper room believers with “power.” And the kingdom of God has been present in the world in the form of the true spiritual body of Christ from that time forward.

And, as Daniel’s prophecy states, the kingdom of God present in the world from the coming of the Holy Spirit as promised on the Pentecost immediately after the death, burial, and resurrection of Jesus Christ forward will: 1) never be destroyed; 2) will not be left to other people (i.e. returned to the nation of Israel); 3) will break all other kingdoms into pieces; and 4) will stand forever.

At the same time, Jesus told the Jews that their temporary possession of the title deed to the kingdom promises first given to Abraham would be taken away from them and given to those Jews and Gentiles who would become “one new man” in Him as the “Israel of God” in Christ.

***Therefore say I unto you, the kingdom of God shall be taken from you, and given to a nation bringing forth the fruits thereof.* Matthew 21:43 KJV**

From that point forward, then, the kingdom of God has only been represented in the earth by the body of Christ “***bringing forth the fruits thereof,***” and the continued denial of Jesus of Nazareth as THE “Messiah” or Christ, by both Jews and Gentiles, IS demonstrated to be the spirit of antichrist.

***For many deceivers have gone out into the world, those who do not acknowledge Jesus Christ as coming in the flesh. This is the deceiver and the antichrist.* 2 John 1:7 KJV (emphasis is the author’s)**

Returning to Daniel’s prophecy, Egypt and Assyria preceded the existing Babylonian kingdom at the time of Daniel’s prophecy, with three beast kingdoms of Persia, Greece, and Rome to come, making a total of six beast kingdoms opposed to the kingdom of God prior to the first advent of Jesus Christ.

The intellectual giants of Israel were aware of this prophecy, but their expectation, driven by non-revelatory tradition and spiritual pride, was that the “mashiach” would be a militaristic political leader out of the lineage of David who would deliver Israel from Roman rule and set up a kingdom with courts of theocratic Law through which the covenant nation of Israel would rule the entire world with an iron rod.

Thus they were in complete denial of the fact that Jesus of Nazareth, with no political or militaristic intent at all, was the “mashiach,” and, strangely, this same expectation thrives among fundamentalist Jewish leaders of Judaism in Israel today.

But the statue kingdoms prophecy serves three specific purposes for the body of Christ who will experience the second advent of Jesus Christ:

1. The interpretation of Nebuchadnezzar’s statue kingdoms dream confirms Daniel’s authenticity and the historical accuracy of his interpretation.
2. It also reveals that the prophetic interpretation of Nebuchadnezzar’s dream was a countdown to the first advent of Jesus Christ for the redemption of Israel as the “Israel of God” in Christ and a kingdom that will stand forever, leaving no possibility for the belief that God will set up a different “kingdom of God” after the second advent of Christ as many dual covenant and Jewish supremacy theologians falsely believe.

3. This causes us (for whom the revelation was intended) to understand that the beast kingdom prophecy given to Daniel in a vision (Daniel 7) describes the four stages of the FINAL beast kingdom, and serves as a countdown to the second advent of Jesus Christ and the resurrection of spiritual Israel, the “Israel of God” in Christ.

The statue kingdoms dream (Daniel 2) – countdown of the “mountain” empires opposed to the covenant people of God (Israel) from Daniel’s day until the first advent of Christ:

Babylon > Persia > Greece > Rome (the first advent of Jesus Christ and the establishment of a permanent kingdom of God in the earth)

The beast kingdom vision (Daniel 7) a countdown of the four progressive forms of the final “mountain” beast empire that herald the second advent of Jesus Christ:

Lion > Bear > Leopard > a diverse, powerful and terrible beast (heralding the second advent of Jesus Christ, His return in glory, to rule and reign over the kingdom of God in the earth)

Countdown to the second advent of Jesus Christ

1st Seal Rev 6:1-2 Daniel 7:4	2nd Seal Rev 6:3-4 Daniel 7:5	3rd Seal Rev 6:5-6 Daniel 7:6	4th Seal Rev 6:7-8 Daniel 7:7
Lion with eagle’s wings	Bear devouring much flesh	Leopard w/ four heads/wings	Diverse from all the rest
White horseman “given” a crown July 29, 1588>	Red horseman War 1917>	Black horseman Terrorism May 15, 1948>	Pale green horseman “Death”
Great Britain and her daughters (the protestant reformation)	Communism, Nazi-ism Imperialism	Islamic Jihad	One world government

Then we see another parallel prophecy given to the apostle John identifying the same four beasts of Daniel 7 as four horsemen. But the revelatory understanding was not given to the body of Christ until this very generation, immediately prior to the opening of the 4th seal and the release of the pale green horse whose rider is named, “Death.”

The obvious intent, then, of only unsealing this prophecy after the first three forms of the final beast kingdom are present is to **ALERT** and **WARN** the generation for whom the prophecy is intended that the full expression of the fourth horseman is **IMMINENT**.

The first horseman (white) has been presumed falsely by dispensationalists as being the Antichrist imitating Christ, but the color of the horses metaphorically identifies the true nature of the horse/beasts, and it would be exegetically incorrect for three of the horses to represent the true nature of the horse/beasts while one metaphorically represents an imitative nature.

Nor does the Spirit of truth, who authored the entirety of scripture, mix metaphors. White represents “righteousness” from Genesis through Revelation without exception.

Likewise, in Daniel 7 the white horse/beast is co-identified as a lion with eagle’s wings, and eagle’s wings ALWAYS, without exception, represent the Holy Spirit.

Ye have seen what I did unto the Egyptians, and how I bare you on eagles’ wings, and brought you unto myself. Exodus 19:4 KJV (emphasis is the author’s)

This white horse/lion represents Great Britain “given” a crown by God, and “given” authority to go forth and conquer beginning with the supernatural defeat of the Spanish armada in 1588, and it is Great Britain and her “young lions” (America, Canada, Australia, New Zealand, South Africa, India) through whom the untainted gospel of Jesus Christ was primarily spread throughout the known world.

This is not a denial concerning the evangelical impact of other European countries during that time, but a recognition that it was the spread of the British empire throughout most of the world that had the most impact and ultimately led to the re-establishment of the nation of Israel in Palestine.

The white horseman, then, in its initial phase served the purposes of God, but beginning with the release of the red horseman, the white horseman is gradually corrupted to serve the purposes of the beast kingdom.

The second horseman riding a red horse appears at the opening of the 2nd seal. This horseman, released in 1917 at the time of the Bolshevik revolution and WWI, is co-identified in Daniel 7 as a bear “devouring much flesh.” The red horseman is “given” authority (by God) to take peace from the world, indicating that worldwide WAR and anti-God political rule is the primary objective of this horseman.

It is no accident that the flags of the “three ribs” in the bear’s mouth, telling the bear to “*arise and devour much flesh*” represent Communism, German Nazism, and German and Japanese Imperialism, ALL of which are **RED**, the color of war and the color of the second horseman.

The entry of the red horseman is also the beginning of the corruption of the white horseman, identified primarily as America, Great Britain, and the western world in general.

WWI, WWII, and the constant warfare around the world since that time have “devoured” approximately 100,000,000 men, women, and children, and this horseman, like the white horseman, is still present in the world, though the eagle’s wings are in the process of being “plucked” from the lion/white horseman, and will be completely removed in the very near future as confirmed to me in a prophetic dream. (See [Storm Warnings](#))

The red horseman, like the white horseman, remains on the scene when the third horseman riding on a black horse appears at the opening of the 3rd seal in 1948 in outward opposition to the establishment of the nation-state of Israel, but with a secret agenda to be revealed in a future installment of this series. This horseman, co-identified in Daniel’s beast kingdom dream as a leopard with four heads and the four wings of a “fowl” is primarily identified as Islamic jihadism and the events included in the black horseman’s ride include financial disaster, famines, pandemic disease, and the chaos of terrorism in general, ultimately resulting in a one day nuclear war identified in scripture as the Gog-Magog war. (Ezekiel 38 and 39)

The four “wings” of the four-headed leopard (stealth predator) are described as wings of a “fowl,” metaphorically identified elsewhere as four demonic “princes” over the four heads of the leopard.

The four “kings” of Islamic jihadism are not individual men but four dominant movements with a unified purpose, also revealing the prophetic connection with the four “*fowl’s wings*” (Satanic “princes”) of the leopard. These four “heads” will ultimately be identifiable, but al Qaeda, Hamas, ISIS, and ISIL, all participants in the Muslim Brotherhood among others, would easily qualify.

Of interest is the recent development of a new symbol for the Muslim Brotherhood and Islamist Jihadism, R4BIA. The symbol originated with pro-

Morsi protestors in Egypt, but has quickly evolved as a symbol for the Muslim Brotherhood movement as a whole.

“R4BIA is: the birth of a new world; the return of Muslims to the world stage; values of the West collapsed; the birth of a new world; Egypt, Syria, Palestine and the whole geography of Islam; the name of those who waken the Islamic world with their death; unification of Islamic World; the end of oil sheikhs; the end of capitalists; the end of Zionists.”

Likewise, the **BLACK** flag used by Islamic jihadists is historically known as the “Black Banner” or “Black Standard.” It is one of the flags flown by Muhammad in Islamic religion, an eschatological symbol in Shi'a Islam (heralding the advent of the Mahdi), and a symbol used in Islam and jihadism, with or without various writings and symbols.

Their Mahdi, whom they are currently serving, will arrive, but Islamists will be quite dismayed when “Mahdi” turns out to be a Jew from the tribe of Judah and the lineage of David, who calls down fire from heaven and claims to be “Messiah” in the restored temple in Jerusalem.

The fourth form of the final beast kingdom, also identified in Revelation 6 as the horseman riding a pale green horse, whose name is “Death,” is the final dominant manifestation of the 7th and final beast kingdom, the “head” / “mountain” empire ruled by THE beast with the eyes of a man and a mouth speaking great, blasphemous things.

This fourth horseman and fourth beast ultimately represent the full manifestation of the 7th and final “mountain” beast kingdom towering over the whole world.

Therefore, the first three horsemen are already on the scene, setting the stage for the entry of this pale, green horseman, whose name is “Death.” And when the

fourth horseman arrives on the scene the other three horsemen will be totally corrupted to, and subservient to, the fourth horseman's purposes.

What is also evident is that we have been experiencing the "end times" for a significant amount of time, and we are very, VERY near to the intense labor pains that will ultimately result in the second advent of our Lord, Jesus Christ.

Jewish supremacists and Zionists presume that the re-instatement of Israel as a nation was a partial prophetic fulfillment of the dry bones prophecy in Ezekiel, but as we will see, the re-instatement of Israel as a nation was necessary for the implementation of Satan's ultimate goal of being worshipped as "Messiah" by the vast majority of mankind, satisfying his initial, and persistent desire to be worshipped as "God" by God's created, volitional, spirit-being, man.

In this we must remember that the supreme spiritual con-man frequently uses his left hand to oppose his right hand for the purpose of opposing the kingdom of God.

White witches (doing "good") and black witches (doing "evil") are still "witches" empowered by demons for Satan's own deceptive purposes. And Satan's persecution of Jews under Hitler's Nazi Germany likely served a strategic purpose even more important to him than the murdering and torturing of innocent Jews carried out by Hitler's evil Nazi regime.

What the atrocities of Nazi Germany against ethnic Jews achieved for Satan was international empathy for the return of Israel to Palestine as a nation-state, which was accomplished through the white horseman's influence.

And this return of Israel to Palestine as a nation-state was necessary in order to fulfill Satan's intent through the "man of sin" who will claim to be "Messiah" in the restored temple.

Likewise, Satan's deceptive intent through the ongoing conflict between Islamic jihadism and Israel is NOT to destroy Israel, but to convince Israel and the world, including the vast majority of Christians, that the destruction of Islamic jihadism in the coming Gog-Magog war proves God's intent to restore His covenant with national, ethnic Israel.

This is Satan playing his right hand against his left for the purpose of deceiving mankind and setting the stage for his masquerade as Israel's "mashiach" and, ultimately, the ruler of the world.

Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; who opposeth and exalteth himself above all that is called

God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. 2 Thessalonians 2:3,4 KJV

Likewise, the release of the black horseman, with the supposed Satanic purpose of obliterating the nation-state of Israel, has another, opposite but secretive, primary objective in mind.

This black horseman, currently dominating the scene, has resulted in, and will continue to result in, widespread economic catastrophes, continuous terrorist warfare, and an all-out nuclear war taking place primarily in the Middle East.

(See [Understanding Prophecy in Terms of Covenant](#) for a detailed revelatory understanding of the prophetic Gog-Magog war)

But the imminent danger preceding the Gog-Magog war, as the third jihad, with help from the southern Russia country states, initiates an all-out attack on Israel, is represented by the black horseman carrying a pair of scales, as a voice in the midst of the four living creature prophecies, “***A days wages for a quart of wheat.***”

There is no doubt that this is an indication of economic collapse and famine, and the country that would be hurt the worst by an economic collapse and the ensuing chaos this would cause, is the United States of America.

The intriguing order coming from the mouth of the third living creature who both releases and restrains the third horseman is, “***and do not harm the oil and the wine.***”

This has been prophetically revealed to me as being a promise to the obedient, faith-filled Christian believers of this present generation who will experience the world-wide economic and political troubles, including a nuclear war in the middle east, that will precede the arrival of the fourth horsemen.

The “oil” and the “wine” are both symbolic of the presence of the Holy Spirit among faith-filled Christian believers in this time of world-wide economic chaos, famine, disease and civil violence, and the promise is one of provision and protection during the extreme events of that time.

This economic collapse, and the pursuant internal chaos in America and the western world in general, will make those who are scheming to wipe Israel off the map bold enough to attack without fear of reprisal.

Yet, this shaking of all that can be shaken, including the United States of America in crisis and chaos immediately prior to the establishment of a world government will result in the supernatural awakening of the church as prophesied by the Lord in the parable of the ten virgins. (See the important watershed prophecy: [The Prophetic Parable of the Ten Virgins](#))

Though the release of the horsemen is progressive, each horseman stays on the scene until the previous three horsemen are brought under the control of the 4th horseman who represents the final form of the great end time “mountain” empire beast kingdom. Thus these, like the beasts of Daniel 7, are the four stages or forms of the 7th and final beast kingdom.

At the time that the pale green horseman comes on the scene the wings have been plucked from the lion/white horseman (the influence of the Holy Spirit removed) and the lion/white horseman stands upright and is given the mind of a man (as opposed to the Holy Spirit), and it is the lion’s mouth out of which the blasphemies against God are first spoken, demonstrating that the United States of America, Great Britain, and the western world in general will be under the control of the pale green horseman.

The first ... (“beast” – white horseman – America as the final dominant form)... ***was like a lion and had eagles' wings. Then as I looked its wings were plucked off.***... (the influence of the Holy Spirit removed from government, banking, education, and media)..., ***and it was lifted up from the ground and made to stand on two feet like a man, and the mind of a man.***... (the 666 man)... ***was given to it.*** Daniel 7:4 ESV (insert is the author’s)

The final “mountain” empire of the beast kingdom has, therefore, already emerged from the “sea” of world systems under the control of Satan at the opening of the 1st through 3rd seals of Revelation, which corresponds with the Lord’s identification of the “***beginning of birth pains***” in Matthew 24:8. And the identity of the beast is revealed through the first three horsemen as the world, exposed to constant conflict, worldwide economic collapse, pandemic disease, and a nuclear war in the Middle East will ultimately surrender sovereignty to a revised United Nations with a ten nation (“***ten horns***” with “***ten crowns***”) ruling body.

The prophetic suggestion here is that America, home of the United Nations, with the presence of the Holy Spirit removed from our governing body, will be the initial host and spokesman for the rider of the pale green horse who is then in complete control of the other horsemen.

This post WWII revised United Nations, then, will be viewed by a vast majority of the world’s population as a brilliant, and intensely hopeful development, and they will be blind to the deadly Satanic scheme behind it.
