

God Bless America? A Prophecy

by
Jim Sayles

I fly the flag on July 4th. I remove my cap and place my right hand over my heart with the emotion of national pride rising in my heart as I repeat the pledge of allegiance or hear the national anthem being sung. But I am not deceived. The mythology of the United States of America as being a “Christian” nation conformed to God’s moral law and the rule of law “under God,” as the pledge states, remains, but the reality of it does not.

And this is a conundrum for Christian believers in America.

There are few born-again, regenerated Christian believers in America who do not think things are starting to go terribly wrong in America. This isn’t a new feeling. It is just a shocking escalation of that feeling.

The re-election of Barack Hussein Obama caused many who still had hope that God would somehow turn America around to lose that hope.

This was followed by the astonishing events in which the election of Joe Biden with personal financial ties to China, Russia, and Ukraine creates a **MASSIVE** incursion of

direct and indirect control over the president of the United States and his congressional, left wing, co-conspirators.

Never in my 79 years have I imagined that the United States of America, the leading democracy of the world, would become a **demon**cracy totally given over to an anti-Christian rule. Yet, this becomes more and more self-evident as each day goes by.

This surging corruption of a “Christianized” America, influenced by, and presumably led by biblical principles, though, is not a new trend. It is merely a rapidly escalating manifestation.

In 1991 David Barten, having researched government statistics to discover the cause of a rapid decline in SAT scores in America, discovered an astonishing parallel increase in sexually transmitted diseases, unwed pregnancies, pre-marital sex, single parent households, unmarried couples living together, divorce rates, alcohol consumption per capita, drug use, and violent crimes.

All of these statistics, the downturn of SAT scores, and the upturn of moral decay, had a common trending date. The year was 1962, and the primary causal event that took place in 1962 was the United States Supreme Court’s decision to strike down **voluntary** school prayer.

Eleven years later the Supreme Court also legalized the **murder** of unwanted babies, many of whom were the result of the moral decline in America directly traceable to the Supreme Court’s decision in 1962 to declare, as Barack Hussein Obama himself has stated, that America is **NOT** a “Christian nation under God” (i.e. influenced by God and conforming to God ordained beliefs and actions)

Prophetically, America, as the final form of the white horseman of Revelation 6:2, the first of the four horsemen of the apocalypse, also identified in Daniel 7:4 as a rampant lion with eagle’s wings (the Holy Spirit) and the mind of a man (the “man,” Jesus Christ), whose original purpose was the worldwide spread of the gospel, has now been corrupted from that purpose in a country whose founders intentionally aligned the government of the nation with God’s own purpose, even stating “**In God We Trust**” on our money, which I presume the godless present regime will find a way to eliminate or change, as this statement on our money offends left wing values and agenda.

Yet, a remnant minority is still dedicated to that original God ordained purpose. And, like ancient Israel, a nation founded on the covenant principle of being corporately guided by God in their national affairs, our subsequent rejection of God’s authority, purpose, and will, has removed us corporately, though not individually, from the guidance, blessings and protection of God.

And, because we have come under the judgment of God, is there anything the corporate body of Christ, whose worldly citizenship is in the United States of America, can do to change the course of America’s judgment by God incited by a government and

a general population, the majority of whom are in perfect accord with the antichrist political agenda?

As Christians we believe God's promise as recorded in **2 Chronicles 7:14**:

If my people...(the body of Christ, spiritual Israel, the "Israel of God")... ***which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.*** 2 Chronicles 7:14

Yet, the promise of healing the land of our citizenship is NOT conditioned on whether or not the Federal Government and the Supreme Court repent from their rejection of God. It is conditioned by whether or not the corporate body of Christ, identified as "My people," will:

1. **Humble ourselves;**
2. **Pray;**
3. **Seek God;**
4. **Repent.**

This is, therefore, not a promise for the nation of the United States of America. It is a promise for the "nation" of spiritual Israel, the "Israel of God," the "body of Christ" wherever it exists among nations of the world, as we either influence nations, governments, organizations, and mankind in general, or not.

And, in this regard, we have, apparently, lost our influence on the government of the United States and on many of the people in the United States who have, as an example, made **Facebook** and **Twitter** into signposts for anti-Christian beliefs and practices.

Christians and Christianity in general are literally facing the beginning of an escalation of antichrist opposition that will result in a very dangerous time not only for Christians, but also for those who openly criticize and oppose Christianity.

Like most, I was in denial of this reality until I was given a third storm warning dream. In this dream I was in Brad Kochis's Lifepoint Church in Columbus, Ohio (where I have not yet, been) with Brad issuing an emotional message of repentance to his congregation.

One third of his congregation came forward in repentance, but two thirds remained in their seats.

Outside, walking along with an unknown witness, we came to a marvelous, gigantic tree. It was tall and straight, like a pine tree, hundreds of feet tall with a base at least six

feet in diameter, but, unlike a pine tree, the bark was smooth and white (the color of righteousness).

Suddenly the tree fell without warning, and what we saw was shocking to us. The inside of the tree was completely rotten except for a core of living heartwood through the very center of the tree.

And, though the tree was broken, the heartwood was only bent.

Moving further down the street followed by several children playing with a total lack of concern about the shocking event we had just witnessed, we came to a tall, modern, high-rise federal building and post office.

Next to the new building was the torn down old federal building with a stream of alum flowing out of the wreckage into the street drain. (alum is used to remove impurities from water)

The new federal building had no such outflow of alum (and, therefore, no cleansing of impurities).

As we stood on the steps of the new building, we witnessed a glass-front bank building sliding down the street, indicating a financial catastrophe. (Yet to come)

On the steps below us was a handsome, powerfully built, dark-haired man wearing a navy-blue blazer with a gold emblem on the right side.

As he looked up at me, I asked, "Is it going to be all right?"

He looked straight into my eyes and shook his head, "No," without speaking.

When we turned and went up the stairs to the massive, heavily reinforced doors of the federal building, they were locked.

As I shook my head in disbelief I said, "I can't believe the federal building is locked." (No longer allowing Christian access or influence)

Unlike the previous storm warnings this dream contained specifics concerning the coming storm. The message Brad was preaching in his Lifepoint Church was one of repentance related to the coming storm of the Lord and the shaking of all that can be shaken, which begins at the deceived, divided, and somnolent house of God.

The lack of response by two thirds of the congregation has nothing to do with Brad's own church but with the response of the universal true church once the storm hits and the church is awakened by the announcement of the groomsman, "***Behold! The bridegroom is coming.***"

This shocking but prophetically revealed response by the New Testament body of Christ is prophesied by Zechariah:

***In the whole land, declares the LORD,
two thirds shall be cut off and perish,
and one third shall be left alive.***

***And I will put this third into the fire, ...of tribulation...
and refine them as one refines silver,
and test them as gold is tested.***

*They will call upon my name,
and I will answer them.*

I will say, 'They are my people';

and they will say, 'The LORD is my God.'" (Zechariah 13:8,9 NASB)

This passage is preceded by Zechariah 13:1:

In that day a fountain will be opened for the house of David and for the inhabitants of Jerusalem, for sin and for impurity.

The fountain is Jesus Christ, and the "house of David" from the resurrection of Jesus Christ and the subsequent coming of the kingdom of God to spiritual Israel, the body of Christ, on Pentecost is the body of Christ, not national ethnic Israel.

Thus, this prophecy has nothing to do with national, ethnic Israel and everything to do with this present generation of the body of Christ.

The fountain that was opened for the house of David was the resurrection of Jesus Christ and the coming of the Holy Spirit to the body of Christ on the following Pentecost.

The one third that came forward in repentance represents the response of the wise virgins (innocent before God because they are in Christ by grace through faith), and the two thirds that remained in their seats represents the response of the foolish virgins during the 4th, 5th, and 6th seal events of Revelation. (Matthew 25:1-9) This is also identified as "**tribulation**," while the 3.5 years of the 7th seal is identified as "**great tribulation**."

No event in the history of national, ethnic Israel matches the fulfillment of this prophecy, and it will be the "foolish virgins" of the end time church who are cut off and perish during the coming storm of the Lord (some of whom will continue to expect, but never experience, a pre-tribulation "rapture" of church only saints). But the "wise virgins" will be tested and refined by the fiery trials of the 4th, 5th and 6th seals of "tribulation," and these overcomers will ultimately become the end time Philadelphian believers who have the Lord's promise that they will be "kept" (protected in, but not removed from) the "hour" (specific time) of trial that will come upon the whole world." (i.e. the 3.5 years of 7th seal "**great tribulation**" after the "man of sin" is declared to be the long awaited Messiah by the false prophet in the innermost sanctum of the rebuilt temple in Jerusalem).

The gigantic tree with the smooth white bark that we greatly admired is the United States of America. The tree, as we know it, will fall suddenly and without apparent warning, exposing the fact that, in spite of the magnificent appearance of the tree, the inside is rotten except for the core of living heartwood, which represents the influence of the true church of Jesus Christ.

But, at the time that this tree will fall, the core of living heartwood will no longer be able to hold it in the upright position.

We will, therefore, be impacted and “bent” by the fall, but we will not be “broken.” And the preludes to this event are already manifested.

This is NOT an indication that the United States as a sovereign nation will fall, but the fall of the United States of America as a “Christian” nation guided by “Christian” morals and values, indicating that the present antichrist leftist movement will prevail.

In simple terms, the United States of America has begun to manifest the preparation by Satan for the entry of the pale green horse ridden (politically controlled) by the antichrist “man of sin” himself.

This is NOT an indication that Joe Biden is THE “antichrist.” He and his extreme leftwing co-conspirators are merely unknowing puppets of antichristian influence, ultimately resulting in a world government ruled from Jerusalem by an Israeli hero of the soon to come Gog-Magog war after which Israel will be granted political rights to most of the land that was once under Israel’s control under David. (i.e. the land originally promised to Abraham).

This obviously indicates that Israel’s muslim dominated enemies on their borders will be defeated and occupied by Israel in our **very near** future, and because of the accompanying nuclear conflict, a world government will be established by the United Nations.

Then, at the time that an Israeli military hero of the brief but intensely destructive nuclear war, will be declared by the false prophet as Israel’s long-awaited “Messiah,” in complete denial that Jesus of Nazareth is the Messiah who came some 2000 years ago.

And this man, empowered by Satan, will call down fire from heaven in the viewing presence of the entire world, to demonstrate that he is the coming “messiah” who will rule the world with an iron rod for 1000 years.

And, “yes,” many of those who are reading this document will witness this event.

The children following us and playing with no concern about the shocking events we were witnessing are the “foolish virgins” of the true church, totally engaged in their “playing,” which includes numerous false doctrines, false interpretations of prophetic scripture deliberately introduced into the church by the father of lies to keep us in a state of spiritual stupor, and in an attitude of denial concerning our immediate future.

These “children” are those two thirds of the body of Christ who will ultimately fall away from the faith because of the trouble and deception in the world, though most of these do not believe that it is even possible for a born again, regenerated believer to reject their faith in Jesus Christ through the hardness of their stubborn and adulterous hearts.

And almost all of them think they will escape tribulation by a pre-tribulation “rapture,” an event that cannot be demonstrated in scripture and is thoroughly rebutted by the Lord’s own words in **Matthew 24 and 25** in His response to His disciples’ question, “Tell us, when will these things happen. And what will be the signs of your coming and of the end of the age?”

If the reader is offended by this statement, they should examine the Lord’s own words in **Matthew 24 and 25** with a prayerful attitude of seeking confirmation from the Spirit of truth who was given to us to lead us into ALL truth.

The old, torn down federal building with a flow of alum pouring into the street drain is symbolic of the cleansing of the original federal building by the blood of Christ (alum is used to remove impurities) as has been the status quo up until now. But the federal building (the present government of the United States) is no longer strongly influenced by the cleansing presence of men and women of faith.

The glass front bank building sliding down the street needs little explanation. This is an indication that the fall of the United States of America will include a financial collapse that will hurtle us into a time of world-wide economic crisis corresponding with the black horseman carrying a pair of scales (Revelation 6:5,6)

Our knowledge that the financial prosperity and security that many of us enjoy in the United States of America will come to an end sooner than we hope or expect, putting us in the same state of crisis that much of the rest of the world has already experienced, is an unpleasant consideration to say the least. But I would rather be warned beforehand by a loving Father than to be surprised and shocked by it, leading to doubt and fear concerning the provisions and promises of God.

And it is the leftist government of Joe Biden and “President” Kamala Harris who will be primarily responsible.

My shock that the federal building is locked indicates that the true church will no longer have an influence on the federal government of the United States of America, although the United States of America was once the ultimate representative of the white horseman and of the first beast kingdom, a lion with eagle’s wings (eagle’s wings are always representative of the Holy Spirit, the “great eagle” in scripture).

But, at the point that the federal building is locked, the eagle’s wings will have been plucked from the lion, and the lion will stand up and be given the voice of a man. (Daniel 7:4)

This is an indication that the United States of America is likely to be the spokesman for the first form of a world government with the nations of the world surrendering sovereignty to a revised United Nations with a ten-nation ruling council.

Ultimately, though, this world government will be ruled from Jerusalem, capital of the “*little horn*” nation of Israel during the 3.5 years of “*great tribulation*” after the

“*man of sin*” calls down fire from heaven, a Satanic sign originally used by the prophets of Baal, that failed them when challenged by Elijah.

But in this latter case there will be no effective challenge against the “man of sin.”

The handsome, powerfully built, dark-haired man wearing a blue blazer with a gold emblem represents a messenger of the Lord, and when I asked him if everything is going to be all right, he answered by shaking his head, “No.”

My question implied that I wanted to know if the fall of America, the foolish virgins continuing to “play” without spiritual awareness concerning the coming storm, the financial collapse, and the true church being locked out of our influence on the federal government of the United States, is going to be restored to some former condition.

The answer is a firm, “No.”

Then I hurried off to warn my family and friends concerning what I had witnessed, and, as usual, the Spirit awakened me one minute before my alarm was set to go off.

Sometime later I had another prophetic dream. In this dream I saw a gigantic tsunami coming ashore. It wasn’t hundreds of feet tall, it was thousands of feet tall, like a literal mountain of water that I was certain would destroy me and everything in its path.

In the next moment, though, I found myself riding on the crest of the wave like a body surfer as euphoric joy filled my soul.

Again, I asked the Lord to reveal the meaning of the dream, and the Spirit caused me to understand that the move of the Lord was, in fact, coming like a destroying wave, but I would not be destroyed. I would be picked up and carried along with it for His purposes along with all others who are walking by overcoming faith in the storm.

This was a dream related to the “wise virgins” of the end times church who will respond appropriately to the revelatory commands and instructions of the Lord during these dangerous, Satanically manifested, times.

These “wise virgins” will experience Psalms 23 and Psalms 91 at a level no other believers before them have experienced, and, for that reason, I have added Psalms 91 to my memory verses.

What has been revealed to me, as recorded in “**The Four Horsemen**” is that United States, once associated with Great Britain as the primary manifestations of the white horse (righteousness) and the upright lion with eagle’s wings (the Holy Spirit), has been corrupted by the escalating subtleties of the beast kingdom that are now openly manifested through the election of Joe Biden as President. Yet, Joe Biden is **NOT** the “man of sin.” That man will be a Jewish military leader after the brief, but deadly Gog-Magog war who is initially the leader of Israel but is ultimately leader of a world government formed by the United Nations, but ultimately moved to Jerusalem as the

capital of a world government ruled by the “man of sin” who calls down fire from heaven and declares himself to be the “Messiah” come to rule the world with an iron rod.

The Four Horsemen:

The first horseman rides a white horse (righteousness) and represents the worldwide evangelical move of God primarily through Great Britain and her young lions (i.e. America, etc.).

The second horseman rides a red horse (war) beginning with World War I.

The third horseman rides a black horse (Muslim Jihad) beginning in 1948 when Israel was returned to the Jews from all around the world.

This is the present dominant horse and rider, but the starting gate has been opened for the pale green (corrupt) horseman whose rider (controlling influence) is Satan himself in the form of the “man of sin,” the “antichrist” who will declare himself to be the Messiah returned to rule the world with an iron rod.

The first... (beast)... was like a lion and had the wings of an eagle. I kept looking until... (the future revealed)... its wings... (the Holy Spirit)... were plucked, and it was lifted up from the ground and made to stand on two feet like a man: a human mind also was given to it.... (i.e. no longer guided by the Holy Spirit)... Daniel 9:7 NASB (insert's are the author's)

America as a nation was originally like a lion and had the wings of an eagle (the guiding influence of the Holy Spirit), but the wings (of the Holy Spirit) have been plucked from the lion. And a human mind (not merely Joe Biden, but the minds of every left wing anti-Christian man and woman unknowingly inspired by Satan) given to it.

And though I hope and pray otherwise, I am aware that America as a political nation will not be healed. And knowing this as an **absolute**, I also know that the Father's intent is that it is now the nation of God in Christ in America and elsewhere around the world, **the body of Christ**, that needs to be healed by obeying the command of **2 Chronicles 7:14**.

Hope and pray if you will, for the spiritual healing of the United States of America, but know that it is His people, the nation of God in Christ that need to be healed first if we are to prevail over the beast kingdom in spite of what takes place politically in the United States of America or the world at large.

This is, then, a time for repentance, not fear or panic, for the body of Christ both corporately and individually. And though it is doubtful that the United States of America as a political whole, influenced, anointed, and guided by our Lord, will recover,

we have no choice but to fight the good fight of faith, because the outcome for each of us individually and corporately as the body of Christ, hangs in the balance.
